

Auto Shipping to New Zealand

Trans Global has a Network of Agents and Customs House Brokers who are experts in the importation of vehicles into New Zealand. We are happy to recommend an agent for you that can help you along the way when you are considering importing a vehicle to New Zealand.

The Agent you choose should be able to clarify and assist you with the major primary steps in importing a vehicle into New Zealand:

- Step 1: Identifying the requirements for your vehicle
- Step 2: Proving your vehicle meets the requirements
- Step 3: Preparing to import
- Step 4: Importing your vehicle

The process can be lengthy and a good New Zealand import Agent will help you assess whether or not vehicles meet the applicable standards and can be registered for use on New Zealand roads.

Please visit the following links and website www.nzta.govt.nz for useful information and facts on importing your vehicle to New Zealand.
